

## MANY PROGRAMS...ONE MISSION

Hope the Mission's purpose is to prevent, reduce, and eliminate poverty, hunger, and homelessness by offering immediate assistance and long-term solutions. We provide hot meals, showers, clothing, safe shelter, medical and mental health referrals, job assistance, housing navigation services, case management, and more. All services and programs are designed to move men, women, and children who are experiencing homelessness from crisis to stability. We are an inclusive faith-based organization that does not discriminate based on gender, age, ethnicity, sexual orientation, or religious affiliation.

## WHERE EVERYBODY AND EVERYTHING GETS A SECOND CHANCE

There are nearly 82,000 men, women and children who are without homes in Los Angeles County per the 2020 homeless count and over 8,400 homeless in the San Fernando Valley. These are mothers, fathers, daughters, sons, brothers, and sisters. These are people like YOU and ME. We work daily to restore HOPE in these individuals and families.
