Special Placement

The Inside Front Cover, Inside Back Cover, and Outside Back Cover spaces are sold for all six issues of each year. Please see our Special Placement guidelines at www.citygatenetwork.org > [Membership](#) > [Business](#) > [Advertising Opportunities](#) (click on Special placement guidelines).

Insertion Orders

To reserve ad space in *Instigate*, please print, complete, and submit an insertion order (page 4). Note that the reservations deadline for the January/February issue—and thus for locking in the 6x rate for 2019—is November 26, 2018.

New and Pick-up Ads

While we encourage advertisers to “freshen” their ads regularly, we understand that some advertisers choose to run the same ad in multiple issues. Each advertiser is responsible to meet the established materials deadlines. If an advertiser commits to advertise in multiple issues and does not meet the materials deadline for a particular issue, Citygate Network reserves the right to pick up the most recent ad of that advertiser.

Cancellations and Changes

Cancellations, as well as changes in insertion orders, must be made in writing (email or fax is acceptable) and may not be made after the reservations deadline.

Liability

Advertisers and advertising agencies assume liability for all content (including text, representation, and illustrations) of advertisements printed, and assume responsibility for any claims arising therefrom made against the publisher. Citygate Network provides limited space for advertising opportunities, services, and products to further the cause of rescue ministry. Citygate Network is not responsible for the claims made by its advertisers and reserves the right to select or reject any advertising, in the sole discretion of Citygate Network, for any or no reason.

Discounts

Business Members of Citygate Network receive a 10 percent discount from published rates. For more information about Citygate Network business membership go to www.citygatenetwork.org > [Membership](#) > [Business](#) > [Advertising Opportunities](#)
